Section 1 Definitions

1.1 Hospitalisation

Hospitalisation means admission in a hospital for a minimum period of 24 consecutive in-patient care hours.

1.2 Day Care Treatment

Day care treatment means a medical or surgical procedure undertaken under general or local anaesthesia in a hospital in less than 24 hours because of technological advancement.

1.3 Non-Medical Items

Non-medical items means items that are not directly related to medical treatment and that are listed in Annexure II.

1.4 Medically Necessary

Medically necessary means treatment that is required for the medical management of the illness or injury suffered by the insured.

Section 2 Coverage

2.1 In-patient Hospitalisation Expenses

The Company will pay medically necessary expenses incurred during hospitalisation for room, boarding and nursing, operation theatre charges, and surgical procedures, subject to the limits in this policy.

2.2 Room Rent Limit

Room rent, boarding and nursing charges are payable up to 1% of the sum insured per day. Room charges above this limit are not payable. No proportionate deduction is applied to other expenses.

2.3 Intensive Care Unit Charges

ICU charges are payable up to INR 10,000 per day.

2.4 Professional Fees

Fees of surgeons, cardiologists, anaesthetists, and consulting doctors attending the insured during hospitalisation are payable.

2.5 Diagnostic Investigations
Laboratory investigations, pathology tests, blood tests, ECG, echocardiography, and imaging including X-ray, ultrasonography, CT and MRI performed during hospitalisation are payable.

2.6 Medicines and Drugs
Medicines, drugs, injections and intravenous fluids administered during hospitalisation are payable.

2.7 Pre- and Post-Hospitalisation Expenses
Medical expenses incurred up to 60 days before admission and up to 90 days after discharge for the same condition, including consultations, investigations and physiotherapy, are payable.

2.8 Road Ambulance
Road ambulance charges are payable up to INR 2,500 per hospitalisation.

2.9 Surgical Implants
Surgically implanted devices such as stents, valves and pacemakers are payable provided the implant invoice and barcode sticker are submitted with the claim.

2.10 Cardiac Procedures
Coronary angiography, coronary angioplasty and cath lab charges are payable.

2.11 Physiotherapy
Physiotherapy prescribed for the condition requiring hospitalisation is payable up to INR 5,000 per hospitalisation.

2.12 Day Care Procedures
Day care treatment listed in the schedule of day care procedures is payable.

2.13 Modern Treatment Methods
Robotic surgery and stereotactic radiosurgery are payable up to 25% of the sum insured per policy year.

Section 3 Waiting Periods

3.1 Initial Waiting Period

Any illness contracted within 30 days of the first policy commencement date is not payable, except treatment arising from an accident.

3.2 Specific Disease Waiting Period

Treatment of cataract, hernia, kidney stones and joint replacement is payable only after 24 months of continuous coverage.

3.3 Pre-existing Diseases

Pre-existing diseases are payable only after 36 months of continuous coverage.

Section 4 Exclusions

4.1 Non-Medical Items and Consumables

Non-medical items and consumables listed in Annexure II, including disposable gloves, masks, syringes, admission kits and toiletries, are not payable.

4.2 Vitamins and Supplements

Vitamins, multivitamin injections, tonics and nutritional supplements are not payable unless prescribed by the treating doctor as part of the treatment for the condition requiring hospitalisation.

4.3 Comfort and Personal Charges

Television, telephone, laundry, attendant charges and guest meals are not payable.

4.4 Cosmetic Treatment

Cosmetic or aesthetic treatment is not payable unless required to treat an injury.

4.5 Substance Abuse

Treatment arising from alcohol or drug abuse is not payable.

4.6 Experimental Treatment

Experimental, investigational or unproven treatment is not payable.

Section 5 Cost Sharing

5.1 Deductible

An aggregate deductible of INR 10,000 applies per policy year to the total admissible claim amount.

5.2 Co-payment

A co-payment of 10% applies to the admissible claim amount after the deductible.

5.3 Order of Computation

The admissible amount is computed in the following order: (a) exclusions and non-payable items are removed; (b) item limits and sub-limits are applied; (c) the deductible is applied; (d) the co-payment is applied; (e) the result is limited to the available sum insured.

Section 6 Claims

6.1 Claim Documents

Claim documents must include the discharge summary, the itemised final bill, prescriptions, investigation reports, and implant invoices where applicable.

6.2 Claim Intimation

Claim documents must be submitted within 30 days of discharge.

Section 7 General Conditions

7.1 Interpretation of Specific Exclusions

Where a specific exclusion applies to an item, it prevails over general coverage clauses unless an endorsement expressly provides otherwise.

7.2 Endorsements

Endorsements apply only to hospitalisations commencing on or after the endorsement effective date and do not apply retrospectively.

Annexure II List of Non-Payable Items
